Quarterly operations note

Exact quotation: “Preserve this wording.”

A measured draft, not an approved decision.

Human annotation: Human annotation: protect this exact sentence.

OMITTED: Rich formatting, layout, comments, tracked changes, drawings and embedded objects are not preserved.

OMITTED: No OCR or vision was performed; PDF imports use only the text layer.

OMITTED: Tables, merged cells, date formatting, headers and footers are simplified or omitted; dates become ISO text. XLSX numbers use spreadsheet numeric precision; caches are omitted from exported XLSX.

OMITTED: Formulas are not evaluated; caches are imported or user-supplied observations, never computed results.
